Filling Tummies at the Folk Festival

WBYO Summer Fun at Kildonan Park

In line for snacks at Fun Mountain

Summer Program

- \$5,000/40 days of Summer programming = \$125.00 per day
- Average of 75 kids per day = $125/75 = \$1.67$ per child, per day

That's enough for 2 pieces of fruit, a juice box, granola bar and a small treat item (i.e. muffin) for each child.

Did You Know?

Snacks during the school year

- On the average school week, we spend 805.08 on food, or 161.02 per day.
- With an average of 40 students per day, that mean we spend 4.03 per child, or 2.01 per snack (youth receive 2 snacks a day)
- There are 195 school days in Manitoba, meaning the average number of snacks we serve is 15,600 within the school year.
- The approximate cost of this is \$31,398.12 to provide 2 snacks daily to each child.

During the school year, WBYO strives to provide at least 3 different fruit and vegetable choices, 2 grains and 1 milk serving per snack.
